ARMY AND NOTRE
 DAME AGAIN BATTLE

(By Hamilton, United Press Staff Correspondent.)

New York, Nov. 3.—Elmer Oliphant, that enterprising young man who is learning how to be a United States army officer as a side life to his football studies, will be swathed in the calcium again tomorrow afternoon when the army "tank" is turned loose against the roaring fresh westerners from Indiana, Notre Dame. The South Bend school is going all the way to West Point to try to batter out another victory over the Army and the majority of critics expect they will do it. Oliphant or no Oliphant.

That is the east's only big game. All the rest of the important schools of this section will be taking on opponents who should prove comparatively easy. Dartmouth alone has a hard job on her hands, and there is everything to indicate another dent will be put in the "Green's" chances when it is catapulted against the heavy Syracuse footballists. The game will be played at Springfield.

Princeton will have Bucknell for practice, Harvard will battle Virginia, and Yale will take on Colgate, not a practice game by any means, but one which should be won by Yale. Cornell will get Carnegie Tech, the team which was battered by Yale.

ALL BUT TWO DODGERS
 TO GET NEW CONTRACTS

(By Hamilton, United Press Staff Correspondent.)

New York, Nov. 3.—Jake Daubert and Jack Coombs are the only members of the Brooklyn National league champions who will not have to sign the papers again if they are members of the Dodgers when the 1917 flag chase starts.

And, if Wilbert Robinson has anything to do with it, there are a few of the other Dodgers who will be homeless.

Nap Rucker, veteran of many a campaign, and for a long time the only asset of the Dodgers, is one of the many who has run out of his term with the Brooklyn. Nap may be back and he may not—Robinson doesn't say.

Robinson declared, when he left for his home in Baltimore that there were weak points in his club which must be strengthened if the team is to make any kind of a showing next year, and it is more than probable that a couple of these changes will come in the in-

field. Ivan Olson, despite his determination and his fighting spirit, seems booked for a new berth, and the same might be said of George Cuthaw, for George undoubtedly "cracked under the strain" in the world's series.

Cuthaw's slip-up probably will get attention, if for no other reason than its moral effect on the Dodgers.

The outfield is destined to have at least one new performer. There are many who do not consider Jimmy Johnston of big league caliber and he probably will surrender his job to Hi Myers. There are several recruits who are expected to have the call over Johnston.

tracks where the ball was received, L. H. S. assaulted the local line, searching vainly for a vulnerable spot and booted the ball out of danger. C. Goetting then opened a road of advance by leading a 45 yard fox chase around right end. Gardner gained another 15 on a trick play which Wilson duplicated and J. B. Hill plowed across for the first touchdown. Goetting kicked goal. Chickasha kicked off and recovered the ball only to lose on downs. Lawton was no more potent and booted out to Fox. Thus ended the quarter with Chickasha leading by 7 points.

Second Quarter.—Lawton intercepted a long pass from Goetting and, failing on wedge onsets and forward tosses, lost the ball on downs. H. Hill made 17 yards on short end run. Chickasha gained 27 yards in two games. Capt. Huff's men groped on to the ball when Chickasha dropped the oval in a scrimmage. Lawton punted outside and ball was taken to C. H. S. 20 yard line. The visitors braced and pushed ball into two yards of the goal line. Then while in greatest danger of allowing the invaders to score, the Chickasha men refused to let the ball go across and after regaining on downs, "toed" it out of danger.

C. H. S. Stronger in Second Half.
 Second Half.—Lawton kicked off. In two downs, C. Goetting regained 25 yards. Then within 20 yards of the goal the Chickasha warriors so grace-

fully executed a fake place kick that even the wary wearers of the maroon allowed J. B. Hill to pace 29 yards around left end for his second touchdown. C. H. S. kicked out and Goetting missed goal. Chickasha kicked off and dexterously blocking a Lawton punt, Riddle fell on the ball. The locals lost the ball in 5 yards of goal and retrieved another punt. A long pass to Hill chronicled another six points. H. Hill kicked out. Chickasha kicked goal. The rest of the quarter consisted principally in attempted long heaves which were more or less effectively broken up and the third quarter found no more scores made.

Fourth Quarter.—The ball started on C. H. S. 25 yard line. Chickasha punted to Lawton who in three passes gained 36 yards. Encouraged by this a more daring 28 yard pass was courted by J. B. Hill who ran 20 yards around end before lowered. Gardner made 12 yards through center of line. A C. H. S. place kick fell short and after a few more minutes of "see-saw" plays the game ended with C. H. S. 20, L. H. S. 0.

After the game a most gratifying protest that all ancient quarrels between the teams had been buried in the oblivion of the past was given when each tribe of battle scarred, grid begrimed warriors sent up lusty cheers the one for the other. Nor was there any tone that could possibly be misconceived as reluctance in the hearty ball exchanged between the two for before the plucky visitors could be congratulated on their dead game scrap to the finish, the aforesaid knights of the headgear had toasted the victors with a will. In fact such was the kindly spirit existing throughout the entire game that all promoters of the sport felt that a conclusive step had been taken toward cleaner athletics.

The officials of the game were:

Referee—Fonder of O. U.

Umpire—Myers, Central State Normal.
